### Summary:

Mutilizer PDF Translator is an easy to use tool for everyone. It translates files automatically and produces high quality documents with both translated text and all the visual elements (like images and tables) by retaining the original alignment. This tool is for anyone who wants to get easy to read PDF documents in many languages quickly and effortless - for own use or creating documents for others.

With Mutilizer PDF Translator Standard **you can translate up to 400 pages** and also save the translation in PDF, JPEG, TIFF, Excel, Word and OpenOffice compatible formats. You may modify the automatic translation easily with ie. Excel or Word if you first save it to right format. You may conveniently purchase more quota and continue translating your documents with the tool.
